

AT ALL EXPRESS ASPHALT SITES WE AIM FOR ZERO HARM. THAT'S WHY YOUR SAFETY IS OUR PRIORITY. PLEASE FOLLOW THESE SITE SAFETY PRACTICES WHEN VISITING US. THEY ARE THERE TO ENSURE THAT YOU RECEIVE THE BEST SERVICE FROM US IN THE SAFEST POSSIBLE ENVIRONMENT.

I confirm that I have read, understood and accepted the site rules with which I must comply. I understand that failure to adhere to these rules may result in my exclusion from the premises.

Signed: Date: _____

Print name: Company name: _____

For and on behalf of Express Asphalt: _____

These rules will be strictly enforced to ensure that our sites are places where people can work and visit without them being hurt. We trust we have your full cooperation.

DRIVERS MUST ALWAYS

Obey site PPE rules

Stay in your vehicle wherever possible

Obey traffic routes and speed limits

Stay within customer control zones, never enter a prohibited red zone

Stay in your vehicle at all times when being loaded

All vehicles must be sheeted before leaving site

Obey site tipping procedures

It's safer to sheet your load from the ground or on a platform if provided so please try and do this where possible

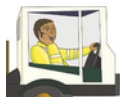

Always wear your seatbelt

DRIVERS MUST NEVER

Ride on the back of moving vehicles

Use mobile phones whilst driving

Drop litter or leave rubbish on site

Come on to site under the influence of drugs or alcohol

Leave explosive materials on the back of your vehicle
